Bring Your Own Device

## BOX ELDER SCHOOL DISTRICT WIRELESS ACCESS

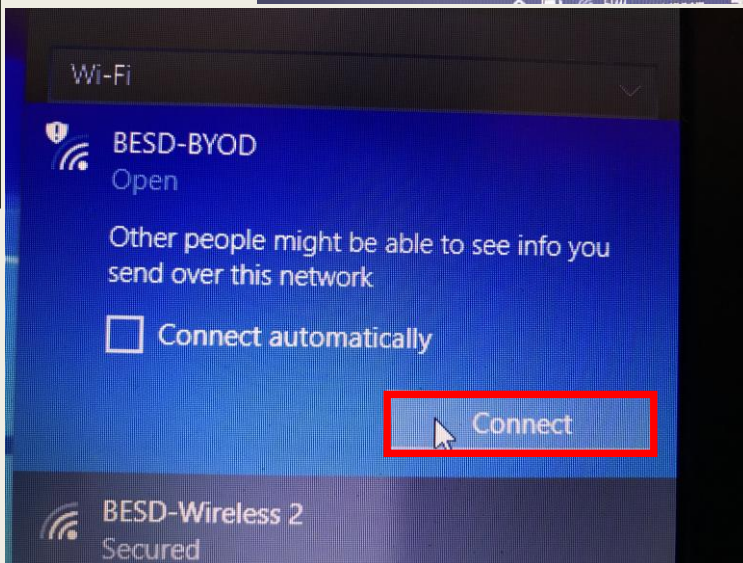

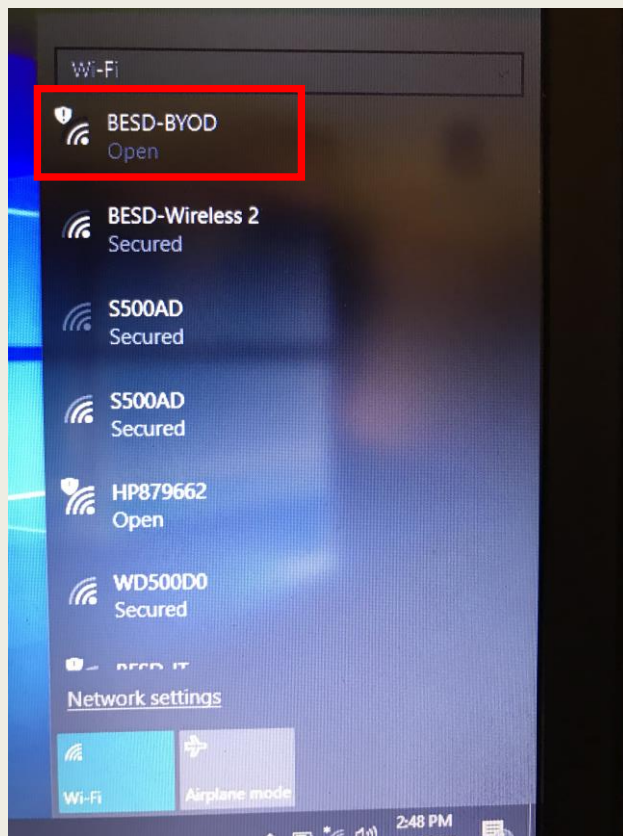

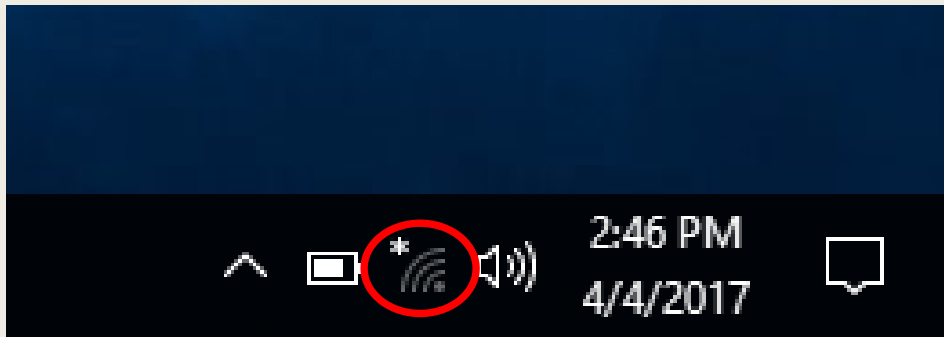

Instructions on how to connect your personal device to our  
network

### Windows Devices

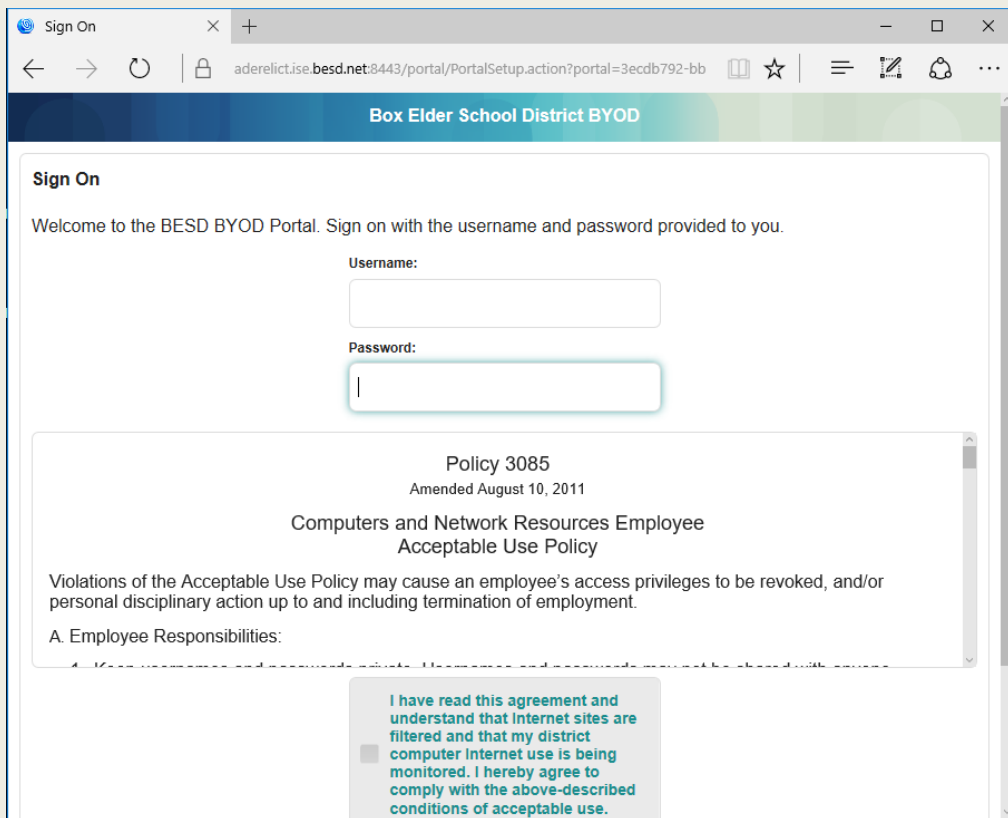

In the notifications bar on your windows device, navigate to Wi-Fi and select the “BESD-BYOD” SSID and click on connect.

Next, go to your web browser and proceed to a website like <http://ksl.com>. At that point you will be redirected to our BYOD website

- Go to a non secured site like KSL instead of google

Use your BESD student credentials and password. In order to use our BYOD you must agree to our Acceptable Use Policy and click on the Sign in button.

Welcome to the BESD BYOD Portal. Sign on with the username and password provided to you.

### Policy 3085

Amended August 10, 2011

#### Computers and Network Resources Employee Acceptable Use Policy

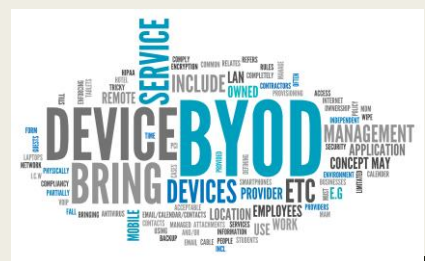

Violations of the Acceptable Use Policy may cause an employee's access privileges to be revoked, and/or personal disciplinary action up to and including termination of employment.

#### A. Employee Responsibilities:

I have read this agreement and understand that Internet sites are filtered and that my district computer Internet use is being monitored. I hereby agree to comply with the above-described conditions of acceptable use.

**BYOD Welcome**  
Welcome to the BYOD portal.  
Access to this network requires your device to be configured for enhanced security. Click **Start** to provide device information before components are installed on your device.

[Start](#)

[Contact Support](#)

Type in a name for the device your registering.

2 3

**Device Information**

Enter the Device Name and optional description for this device so you can manage it using the MyDevices Portal.

Device Name: \*

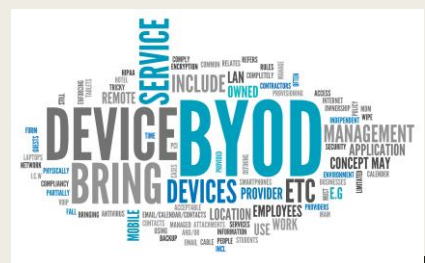

Windows Laptop

Description:

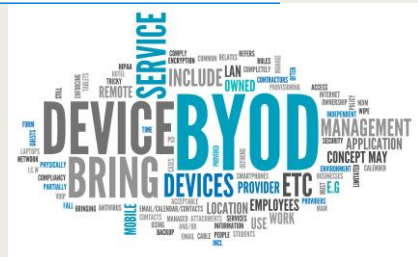

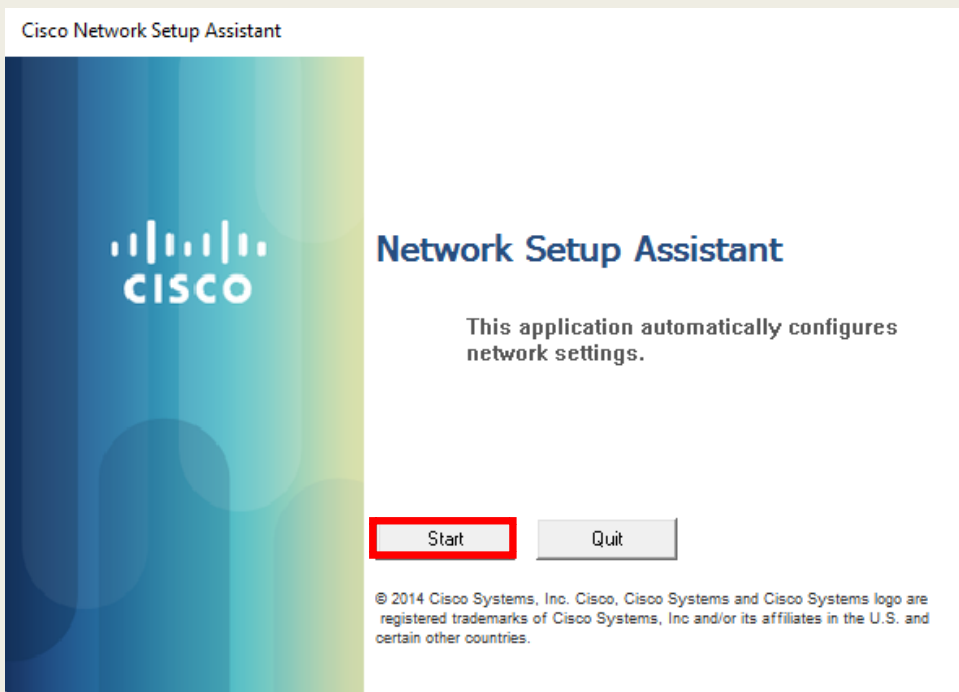

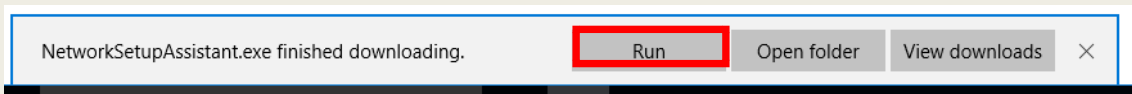

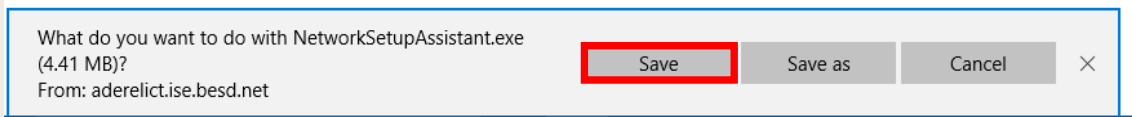

Continue

Required Field

- Each user is only allowed to have two devices registered at any given time, therefore you would have to delete a device in order to register a third one.

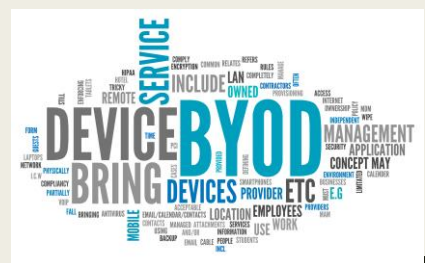

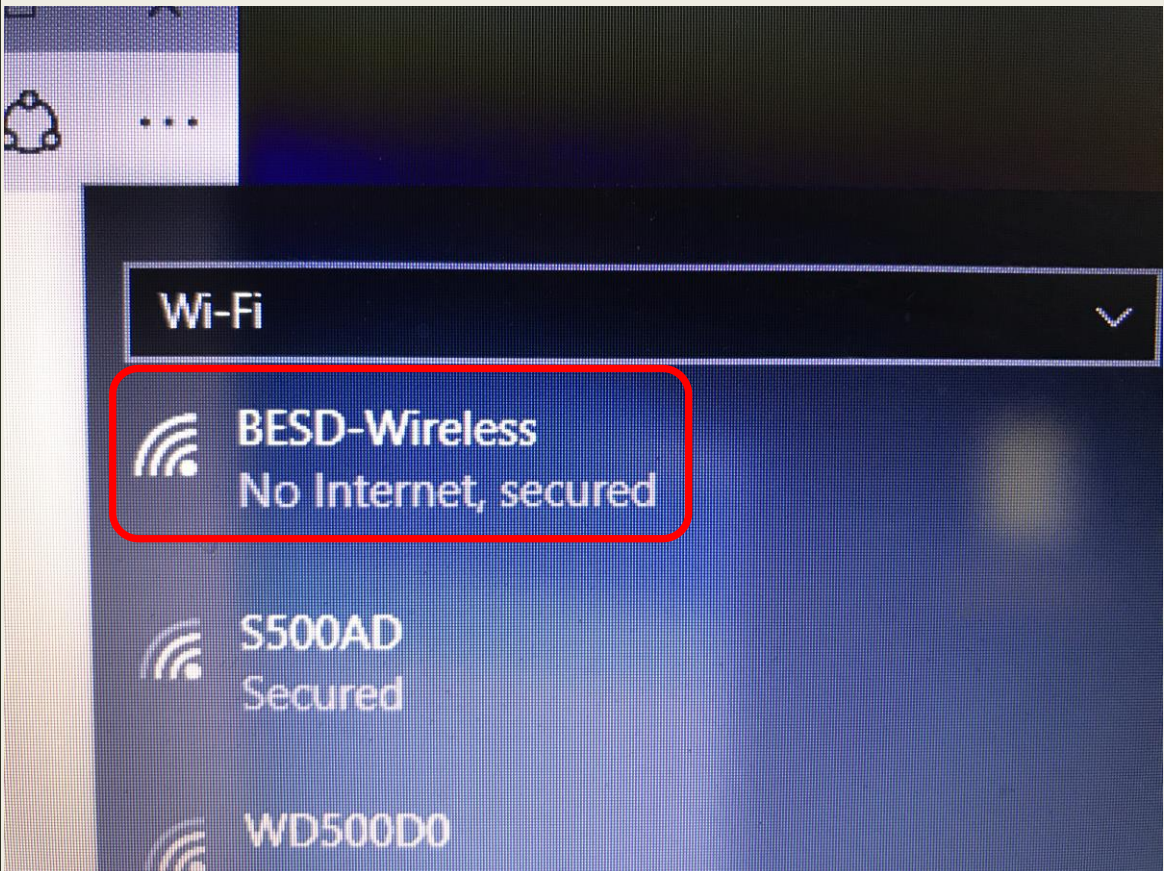

Click on “Save” button to download the Network Setup Assistant, then click “Run”.

Once you have successfully on boarded your device, go back to your Wi-Fi settings and change it over to BESD-Wireless

## Notes

- You will only have to go through this process once a year.
- To manage the devices you have enrolled follow this link:  
<https://mydevices.ise.besd.net/>
- There is a limit of 2 devices per individual
